Eastbourne Borough Council,
(Planning Policy Team)

3rd April, 2012

Dear Sir/Madam,

Examination of Eastbourne Borough Council's Core Strategy (LDF)

Further to my letter dated 19th March 2012, I am writing to inform you that the Government has recently published the National Planning Policy Framework (the Framework) and the Planning Policy for Traveller Sites. If you wish to make representations on these documents, as far as they relate to the Eastbourne Core Strategy, please respond to the Programme Officer by no later than **Friday, 4th May 2012.**

The deadline for submitting further Statements in response to the Inspector's questions outlined in the 'Matters and Issues' document (Appendix II) still remains at **Friday, 27th April, 2012.** The extended time is to allow additional representations relating to the Framework and the Planning Policy for Traveller Sites documents only.

If you were already planning to submit a further Statement, it would help the Inspector, if any comments relating to the above-mentioned documents are incorporated into your Statement under the main issues identified by the Inspector.

To assist you, the Council has arranged for links to the National Planning Policy Framework and the Planning Policy for Traveller Sites documents to be provided on its website: eastbourne.gov.uk/eastbourneplan. However, should you have any query relating to the proposed extended timescale, please contact me.

Yours faithfully,

Jean Radley
Programme Officer
