

Housing Advice

Free legal housing advice for Lewes District residents

- Homeless, sofa-surfing, nowhere to live?
- Facing eviction or worried about losing your home?
- Rent or mortgage arrears?
- Disrepair affecting your health or safety?

BHT Advice is a specialist legal housing advice service. We have experienced Housing Advisers to help you resolve your housing issues.

Lewes District Council provide BHT Sussex with funding to enable us to provide this service. We also provide housing advice funded by the Legal Aid Agency (LAA). If you are eligible for Legal Aid, it may be more appropriate for your case to be funded under our LAA contract and we will discuss this with you.
