

Lewes District Council

Publication Scheme

The Freedom of Information Act 2000 requires all public authorities, including Lewes District Council, to adopt and maintain a Publication Scheme.

This publication scheme commits the council to making information available to the public as part of their normal business activities. The information covered is included in the classes of information mentioned below, where this information is held by the council. The scheme commits the council to:

- Proactively publish or otherwise make available as a matter of routine, information, including environmental information, which is held by the councils and falls within the classifications below.
- Specify the information which is held by the authority and falls within the classifications below.
- Proactively publish or otherwise make available as a matter of routine, information in line with the statements contained within this scheme.
- Produce and publish the methods by which the specific information is made routinely available so that it can be easily identified and accessed by members of the public.
- Review and update on a regular basis the information the council makes available under this scheme.
- Produce a schedule of any fees charged for access to information which is made proactively available.
- Make this publication scheme available to the public.
- Publish any dataset held by the council that has been requested, and any updated versions it holds, unless the council is satisfied that it is not appropriate to do so; to publish the dataset, where reasonably practicable, in an electronic form that is capable of re-use; and, if any information in the dataset is a relevant copyright work and the council is the only owner, to make the information available for re-use under the terms of the Re-use of Public Sector Information Regulations 2015, if they apply, and otherwise under the terms of the Freedom of Information Act section 19. The term 'dataset' is defined in section 11(5) of the Freedom of Information Act. The term 'relevant copyright work' is defined in section 19(8) of that Act.

Classes of Information

Who we are and what we do

Organisational information, locations and contacts, constitutional and legal governance.

What we spend and how we spend it

Financial information relating to projected and actual income and expenditure, tendering, procurement and contracts.

What our priorities are and how we are doing

Strategy and performance information, plans, assessments, inspections and reviews.

How we make decisions

Policy proposals and decisions. Decision making processes, internal criteria and procedures, consultations.

Our policies and procedures

Current written protocols for delivering our functions and responsibilities.

Lists and Registers

Information held in registers required by law and other lists and registers relating to the functions of the authority.

The Services we offer

Advice and guidance, booklets and leaflets, transactions and media releases. A description of the services offered.

The classes of information will not generally include:

- Information the disclosure of which is prevented by law, or exempt under the Freedom of Information Act, or is otherwise properly considered to be protected from disclosure.
- Information in draft form.

- Information that is no longer readily available as it is contained in files that have been placed in archive storage, or is difficult to access for similar reasons.

Method by which information will be made available

Where it is within the capability of the council, information will be provided on our website. Where it is impracticable to make information available on the website, the council has indicated how information can be obtained by other means.

In exceptional circumstances some information may be available only by viewing in person at our offices. Where this is the case contact details are provided to enable an appointment to be made.

Information will be provided in the language in which it is held or in such other language that is legally required. Where we are legally required to translate any information, we will do so.

The council's obligations under disability and discrimination legislation will be adhered to when providing information in accordance with this scheme.

Charges for information

The purpose of this scheme is to make the maximum amount of information readily available at minimum inconvenience and cost to the public. Charges made by the authority for routinely published material will be justified and transparent and kept to a minimum.

Material which is published and accessed on the website can be downloaded free of charge.

Charges may be made for information subject to a charging regime specified by Parliament.

Charges may be made for actual disbursements incurred such as:

- Photocopying
- Printing
- Postage and packing
- The cost directly incurred as a result of viewing information

Charges may also be made for information provided under this scheme where they are legally authorised, they are in all circumstances, including the general principles of the right of access to information held by public authorities, justified and are in accordance with a published schedule of fees which is readily available to the public.

Charges may also be made for making datasets (or parts of datasets) that are relevant copyright works available for re-use. These charges will be in accordance with the terms of the Re-use of Public Sector Information Regulations 2015, where they apply, or with regulations made under section 11B of the Freedom of Information Act, or with other statutory powers of the council.

If a charge is to be made, confirmation of the payment due will be given before the information is provided. Payment may be requested prior to provision of the information.

Written requests

Information held by the council that is not published under this scheme can be requested in writing, when its provision will be considered in accordance with the provisions of the Freedom of Information Act.
