<b>A statement confirming that the designation is being made by a relevant body.</b> (Parish Councils are recognised as relevant bodies to engage with neighbourhood planning).	
We, the Councillors assembled of Chailey Parish Council, under Section 61G(2)(a) of the Town and Country Planning Act 1990, are considered as a relevant body for undertaking a "Neighbourhood Development Plan".	
<b>A statement explaining why the intended neighbourhood area is considered appropriate.</b> (It may be felt appropriate to designate the whole of the parish area to ensure that the local community have the opportunity to fully shape the parish or it may be for a specific area in order to deal with a specific problem).	
<p>Our community at our Annual Parish Meeting expressed their wish that we designate the whole Parish as a neighbourhood, so that the village and its area may be fully represented in the construction of a Neighbourhood Plan.</p> <p>We therefore wish to designate the Parish of Chailey as a Neighbourhood (the area outlined in black on the attached Ordnance Survey map).</p> <p>This area includes Chailey Common and Chailey Green, and the various community facilities which are found in this Parish: primary and secondary schools; children's centre; recreational areas known as the Sports Ground and Roeheath respectively; the Village Hall; the Windmill; the New Heritage Chapel; the institutional facilities of Grantham Close, Chailey Heritage and the Bluebell Railway at Sheffield Park.</p> <p>These facilities together service the residential and commercial accommodation known as Chailey Village, comprising farmsteads, brickworks, public houses and a large variety of residential settlements, halls and houses.</p>
